

# ON MY KNEES 4 PALENQUE

## Talk to Dad about these...

- Ask that HE will put a hunger and a desire in the youth of the local club where I serve for His Words and serving HIM. Ask for wisdom and HIS plan on how to teach them His Words effectively and for His glory.
- Ask that HE will meet Javier (photo below and member of sports ministry team) today. Javier recently went MIA for 5 days without speaking to anyone. Ask that HE will use our team to pry for him, encourage him, and be HIS instrument of HIS love for Javier right now.

	PRAISES!	
Praise HIM that I returned with my sister and Felipe to Cartagena after a week and a half of doctors appts, tests, and exams. I will be doing PT for 3 weeks here before returning to Bogota.	Praise HIM that Felipe began shooting his band's new video in Palenque and in Cartagena. Ask that HE will use this video to proclaim Psalm 19 and His glory to many who will view this video.	Praise HIM that I was healthy enough to return to Palenque for a day to see, love on, pry with and encourage my people. It was a blessing to be with them again and I am truly thankful!

## Darlys' full week in Palenque

Darlys will be going to Palenque this week by herself this week. She is not excited to go alone, please ask that she will truly understand that HE is all that she needs. Ask that HE will use Darlys to encourage our people and continue to point them to HIM

Praise HIM for this opportunity for me to pry specifically for her while she serves and for our time to debrief her week, moving towards my departure at the end of this year!
